PROFESSIONAL PROFILE

Auckland-based photographer with practical experience across weddings, live events, sports, music and a variety of other events. Regularly works with UTSNZ, AUT Sports, The 13th Floor and MusicNZ, and completes freelance assignments across Auckland including corporate functions, parties, celebrations and brand content.

PHOTOGRAPHY EXPERIENCE

Freelance Photographer | Huq in Transit

Auckland | 2024 - Present

- Manage assignments from client enquiry and shoot planning through photography, editing, online gallery delivery and follow-up.
- Photograph corporate events, birthdays, celebrations, hospitality venues, portraits and community events across Auckland.
- Collaborated with photography brands PGYTECH and TTArtisan to create real-world promotional imagery and social content.

Sports Photographer | UTSNZ & AUT Sports

Auckland | 2025 - Present

- Capture fast-paced competition, athlete reactions, team moments, presentations, crowd atmosphere and wider event storytelling.
- Work alongside organisers and venue teams, anticipate key moments and adapt quickly to changing schedules and lighting conditions.
- Produce promotional imagery for event coverage, participant engagement and social media use.

Music & Live Event Photographer | The 13th Floor & MusicNZ

Auckland | 2025 - Present

- Photograph concerts and live performances in challenging low-light environments while working within venue and media requirements.
- Capture performers, crowd energy, venue atmosphere and editorial details, then select and deliver strong images to deadline.
- Work unobtrusively in unpredictable environments while maintaining accurate exposure, sharp focus and varied compositions.

Wedding Photographer / Second Shooter | Freelance

New Zealand | 2026

- Photographed weddings, covering ceremonies, candid guest moments, couple portraits, family groups, details and reception activities.
- Supported the wider shooting plan by staying attentive to timelines, coordinating respectfully with couples and guests, and capturing complementary angles.
- Continuing to develop wedding photography skills through practical experience, portfolio building and learning from experienced photographers.
